S/S-S Mr. Reber

Reference is made to the S/P memorandum of October 10 and to UM D-63 of October 13 regarding the paper on "Basic Principles of U.S. Policies in Inter-American Affairs".

There are attached replace pages which include revisions of paragraphs 6, 10, 25, 29, 33, 36, 37, 38, 39, 46, 49, 51, 52, 53, 54, 59 and 60. Some of these changes are minor. Others include practically all of the suggestions made in memoranda, dated October 20, from E and UNA and regarded by S/P and ARA as improvements. The changes involve a renumbering of paragraphs 37 to 53, inclusive, since two new paragraphs replace old paragraph 37 and old paragraph 53 has been deleted.

Recommendation 4 (UM D-63) also has been revised to read as follows:

"4. Officers of the Department should bring pertinent parts of the paper to the attention of other departments and agencies of the Government whenever that will provide useful guidance to the latter."

Paul H. Nitze
Deputy Director,
Policy Planning Staff
